

## FASHION PARTNER SPOTLIGHT

KMJR.World is a boutique fashion public relations agency that collaborates with best-in-class creatives to develop positive, scalable, and global projects and communication strategies. Kevin McIntosh Jr., owner and chief executive officer for KMJR.World, has worked with Worldnet throughout his long and successful career – including in key roles at Ralph Lauren, Interview Magazine, and Mr. Porter.

**“Worldnet is efficient, reliable and dependable – you always know what you’re getting.”**

A master of his craft, McIntosh has worked with some of the biggest brands and celebrities in the world, from Off-White to Odell Beckham Jr. He plays a crucial role, fulfilling what are often highly complex and nuanced fashion and logistics needs – particularly during awards show season events for the Grammys and Oscars.

With McIntosh’s clientele, he must deliver every single time. That’s why he’s trusted Worldnet with his most important and time-sensitive client shipments. “Worldnet is efficient, reliable and dependable – you always know what you’re getting,” says McIntosh.

Fashion logistics requires immense experience and a sophisticated level of comfort with international shipping regulations. Getting luxury garments, jewelry, accessories and other fashion pieces across the globe and to their destination – on time – is no small task. The real expertise, however, comes with knowing how to mitigate the risks and surprises. KMJR.World trusts Worldnet because we bring the highest degree of care and attention to detail to every project. **That’s what fashion clients demand. That’s what we deliver.**
